PEFC
CHAIN OF CUSTODY
AS STANDARD

Interior flush veneer

When only natural timber veneers will do, Premdor veneered flush doors are a tried and tested classic.

Veneer flush doors offer visual beauty and refinement of natural wood doors at a value price.

A wide selection of veneer types available in both standard and fire rated doors.

Supplied with PEFC chain of custody as standard.

Natural wood veneer, which can compliment many colour schemes.

The widest range including mobility and fire door options.

Durador™ veneer offers a 'lacquered plywood' look, with no further face finishing required.

Option Plus and factory servicing is available, see page 72 for details.

Wide range of factory glazed fire door designs available, see page 66.

For door pairs, see page 67.

All veneers are natural products and some variation should be expected.

Matching veneers are available. Contact the sales office.

New framed construction Fireshield doors now available.

Interior flush veneer

- The attractive appearance of a traditional wood faced flush door remains a popular and practical choice.
- For replacement use or high quality new build applications wood veneered doors offer an established and 'no fuss' design solution.
- Door faces are fully factory lacquered and veneered edge to edge, masking the applied vertical edge lippings and presenting a clean smooth appearance, with the unique natural shade and grain variations of hardwood.
- Use veneered doors to create a co-ordinated wood ambience in your home.
- Supplied with PEFC Chain of Custody as standard.
 - Select from a wide range of veneer options, to complement all types of project.
 - Temperate grown timbers from Europe and North America are included in the range alongside cost effective alternatives from established and controlled tropical sources.
- Option Plus and factory servicing is available, see page 72 for details.
- All veneers are natural products and some variation should be expected.
- Wide range of factory glazed fire door designs available, see page 66.
- For door pairs, see page 67.
- Matching veneers are available. Contact the sales office.
- New framed construction Fireshield doors now available.
