Opening Hours: Monday to Friday: 8:30am to 5pm- Saturday : 9am to 1pm

Internal Engineered Oak Range - Page 8

Heritage Engineered doors are veneered on to a solid core base, with a solid matching lip of approx.12mm, therefore only suitable for minimal trimming, All doors on these pages are supplied sanded, ready for varnishing or staining, unless otherwise stated (some doors illustrated are stained to show the range of colours that can be achieved on site) White Oak Doors will normally all be the same colour tone Please note: due to photographic, lighting and printing limitations, colours of doors and graining in timber are guide lines only Fire Symbol denotes that Door is available as a 30/30 Fire Door
