

Internal Bespoke Inlaid Door Range

Imperial sizes 35mm thick, Metric sizes 35mm or 40mm thick x 2030mm depending on design, please ask - Glazing beads included. All veneers are natural products and some variation is expected. If veneer matching is required, please advise at time of order, as these doors will be specially manufactured and subject to a surcharge and extended lead times.

Doors can be ordered in any combination of timbers, with horizontal or vertical grain, with 3 different inlays (Etimoe, Steamed Beech & Combination).

In this same range you can have a variety of window combinations from 1 to 5, please see: www.doorsofdistinction.co.uk for complete range of designs available

SPECIAL SIZES: The Inlaid range are available in many different sizes to help you with your project, special sizes can be manufactured to order.

For the latest Priority Discount off below Price List, please go to our web link
