

'Bespoke' Internal Contemporary Grooved Door Range

19 June, 2011

Imperial sizes 35mm thick, Metric sizes 35mm & 40mm thick depending on design, please ask - Glazing beads included.

Doors on this page can be manufactured to any size and a variety of Timber veneers, please enquire from Sales

Please Note: Special orders do not attract any extra discount, unless a minimum of 12 of any one size are ordered

All veneers are natural products and some variation is expected.

If veneer matching is required, please advise at time of order, as these doors will be specially manufactured and subject to a surcharge and extended lead times.

In this range you can have a variety of window combinations from 1 to 5, please see: www.tranik.co.uk for complete range of designs available

SPECIAL SIZES: The Grooved Range are available in many different sizes to help you with your project, special sizes can be manufactured to order.

For the latest Priority Discount off below Price List, please go to our web link
