

Internal White Primed Solid Range

Imperial sizes 35mm thick (metric thickness vary depending on source, please specify)

Glazing beads included unless otherwise stated - All panels raised & fielded unless otherwise stated if your looking for a door with modern, clean, crisp styling, then this more heavy duty range of solid core white primed, single leaf and casement pairs, is well worth consideration.

we are convinced that when you see the quality of the factory primer coat you'll have difficulty believing that the doors are not fully finished.
