Deliveries

In line with the Government announcement we are continuing to deliver to our customers as normal and our next day service is available on certain lines.

To ensure the safety of all concerned we are running a contactless delivery service leaving deliveries outside of customers' homes or in garages where applicable and safe to do so.

All drivers working for us directly or indirectly (3rd party couriers) will be following social distancing

measures, and we ask that our customers also observe these.

Contactless collections are still being offered from our Dorset branch but these must be prearranged.

We at Doors of Distinction look forward to a time when we can return to normal and are confident

that if we all help to keep each other safe by sticking to Government advice

We must keep thinking of positive times, and know that they will return.

Please all stay safe and stay alert

The Team at Doors of Distinction
